ALEXANDRIA CASTLE

Although Garnet's daily routine is normally confined to the upper portions of the castle, secret chambers within the palace walls hint at a greater purpose to the structure.

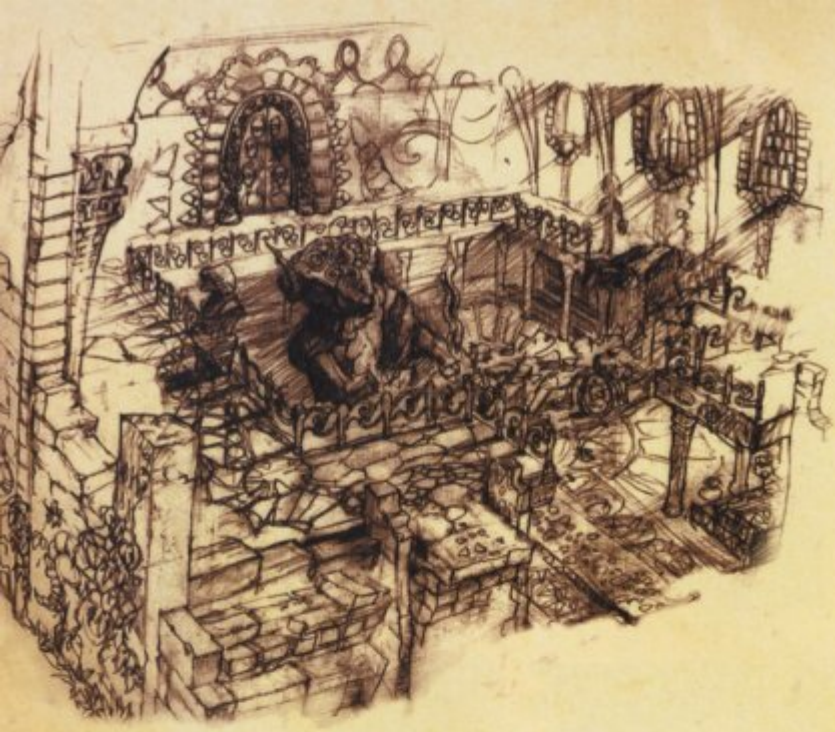
水面

Vivi visits those who have stopped

A very mysterious fork in the road.

BLACK MAGE VILLAGE

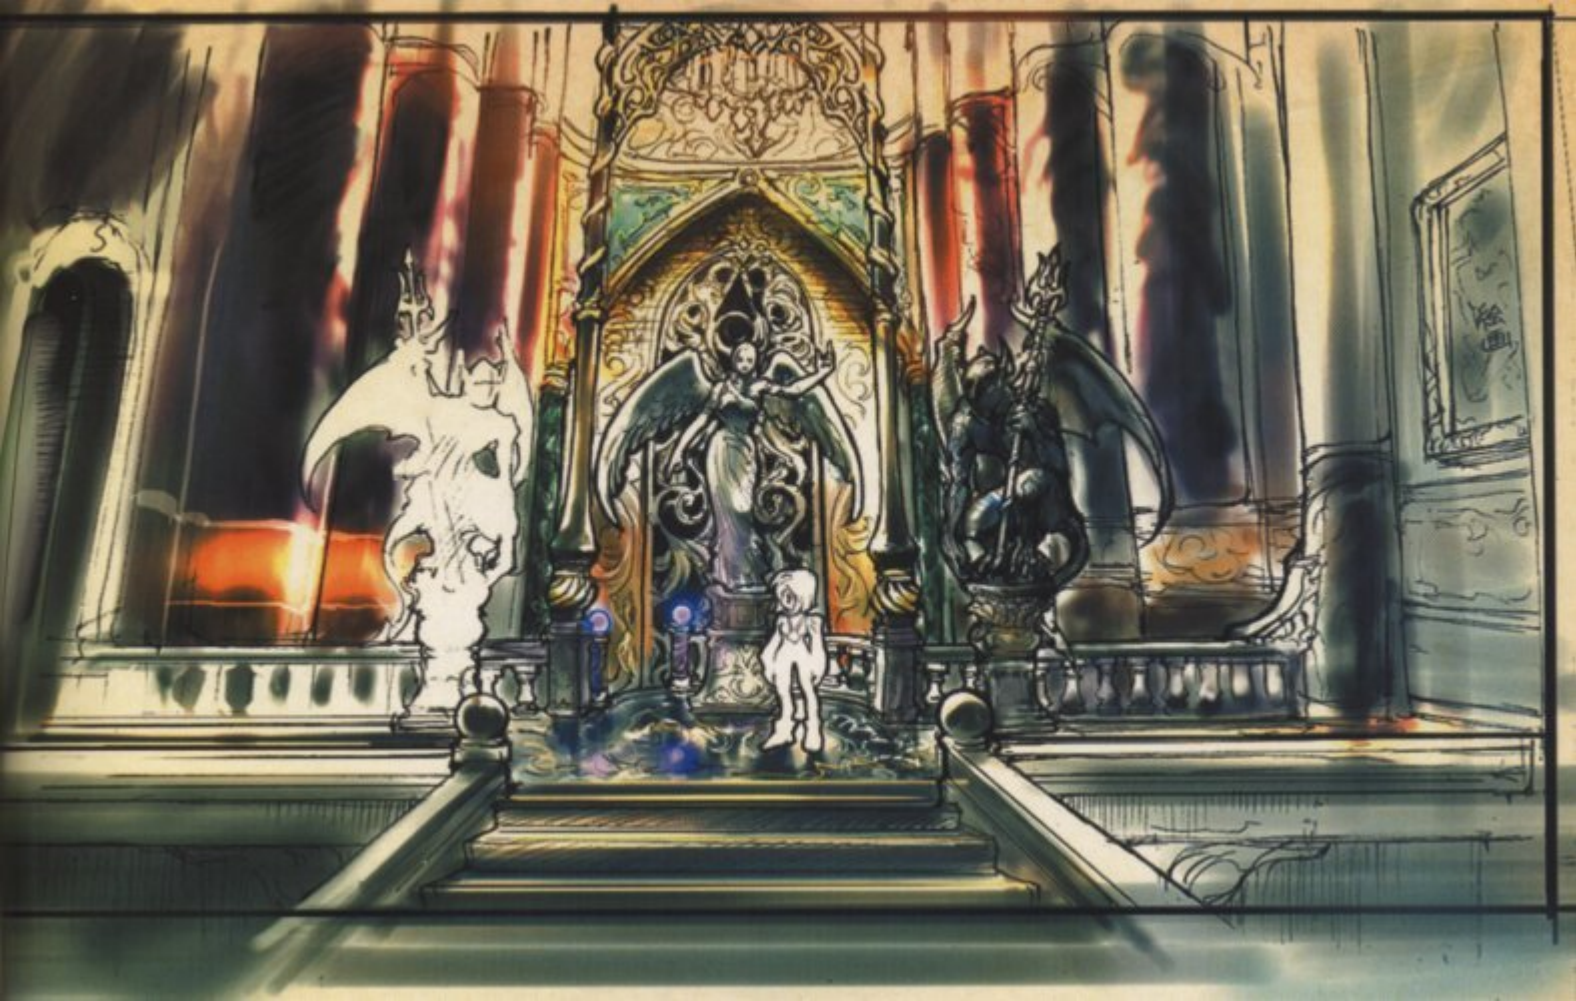
Hidden deep within the forests of the Outer Continent lies the mysterious Black Mage Village. Could it possibly hold the answers to any of Vivi's questions?

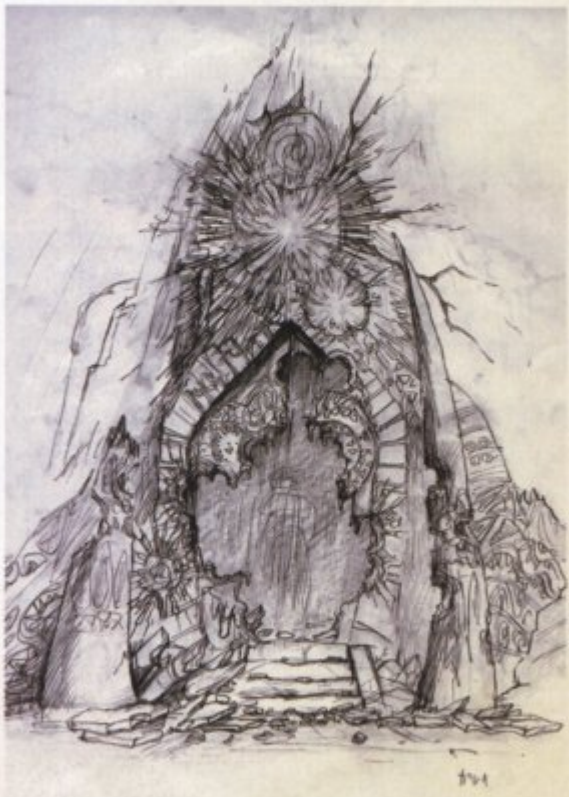


This render didn't make it into the game.

On the outside looking in

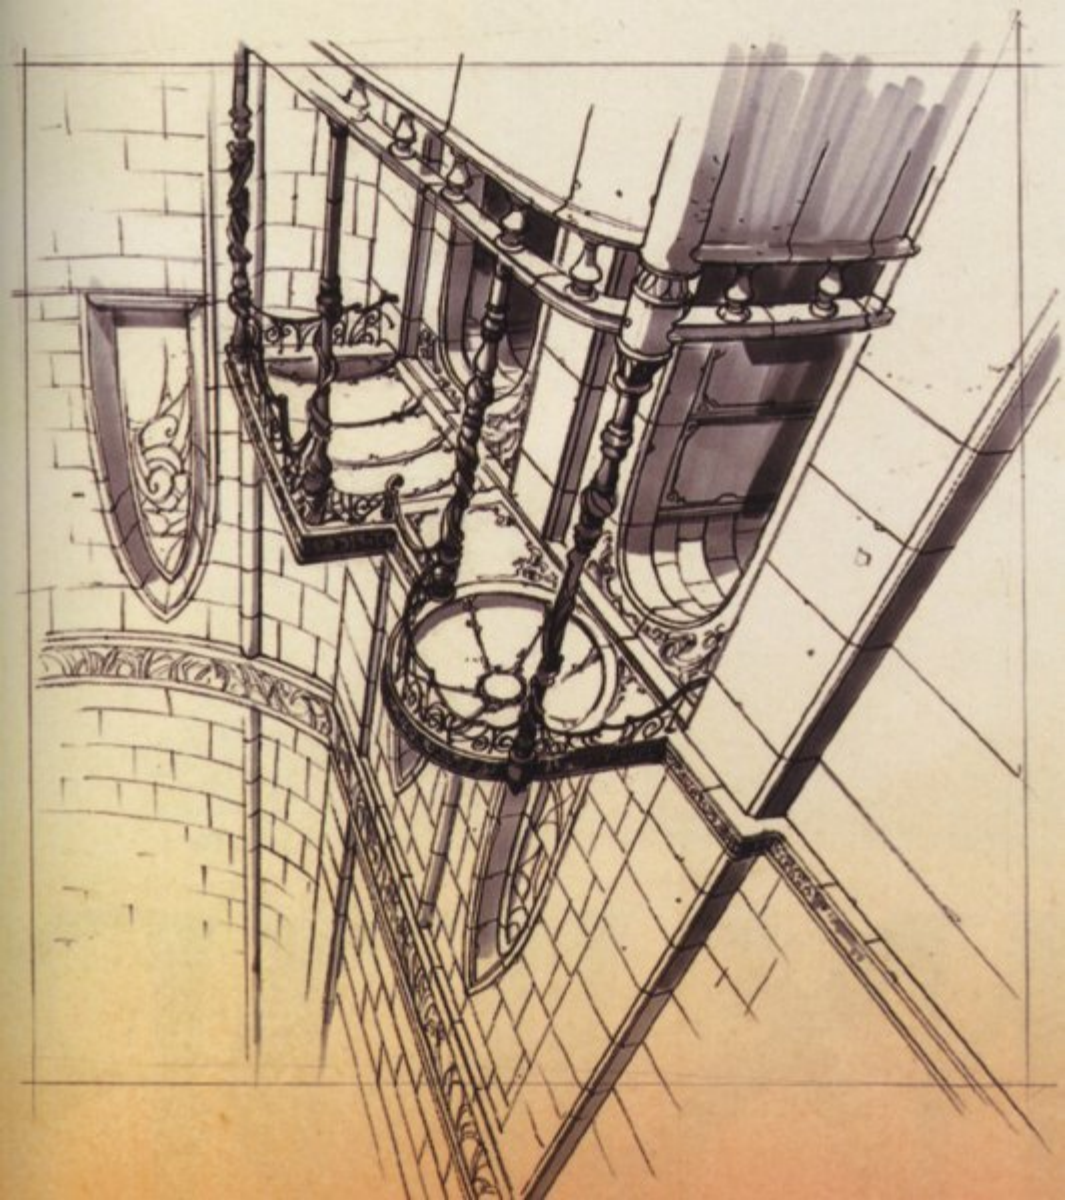
A beautiful city high up in the treetops





GIZAMALUKE'S GROTTO

The mountain underpass between Lindblum and Burmecia is called Gizamaluke's Grotto, so named after Lord Gizamaluke. This spiritual leader, a large water dragon, protects this underground passage to Burmecia from invaders.



Gate Material: Metal
(rest is wood)

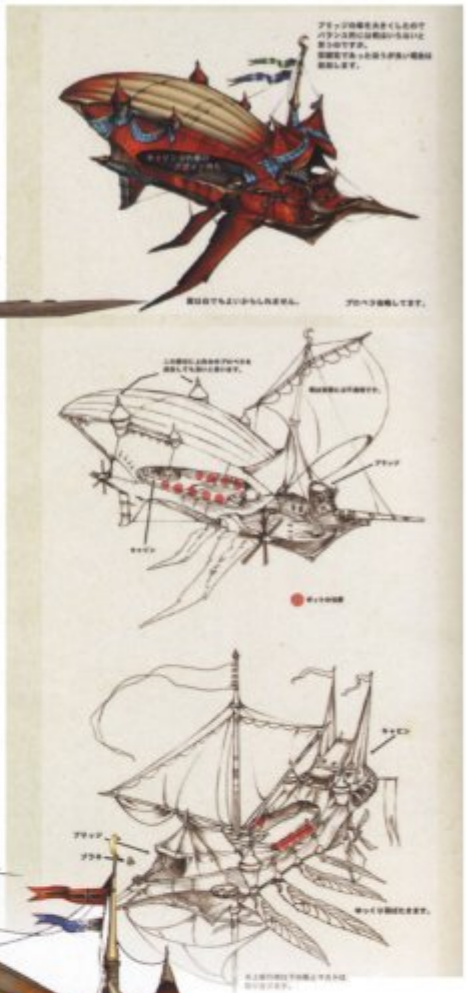
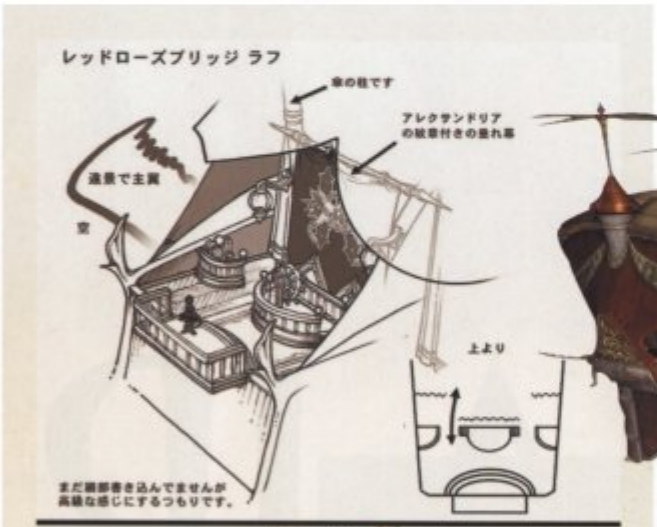
Shipwright: Zebolt Shipyards
Port of Registry: Lindblum

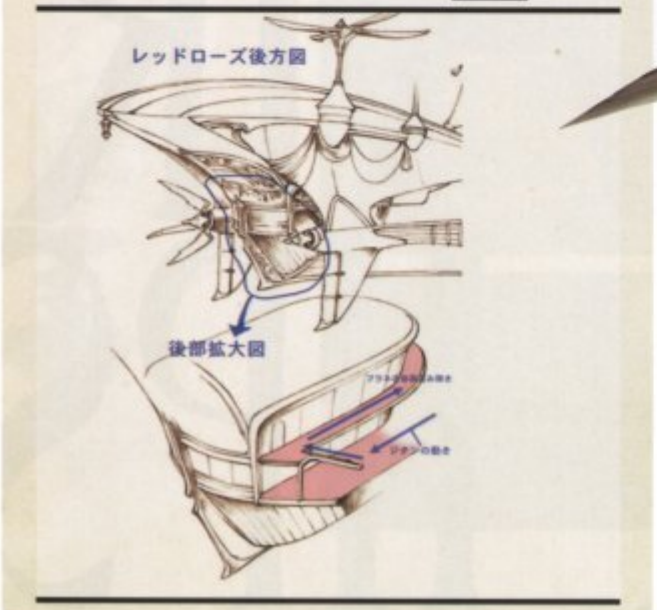
AIR SHIPS

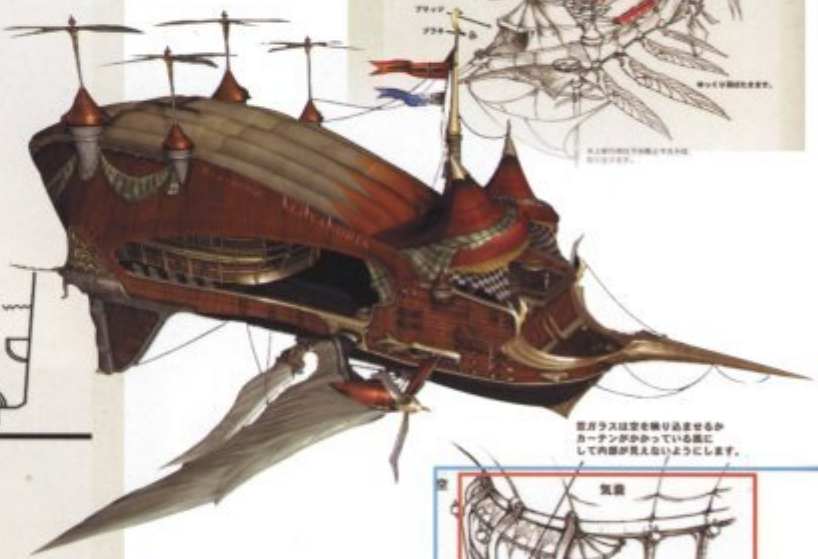
Red Rose

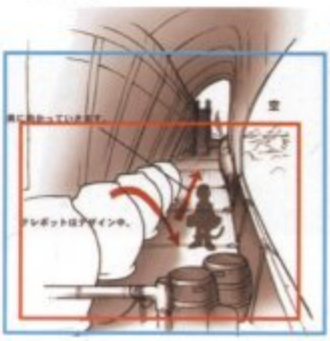
The favorite mist-powered air ship of Queen Brahne.

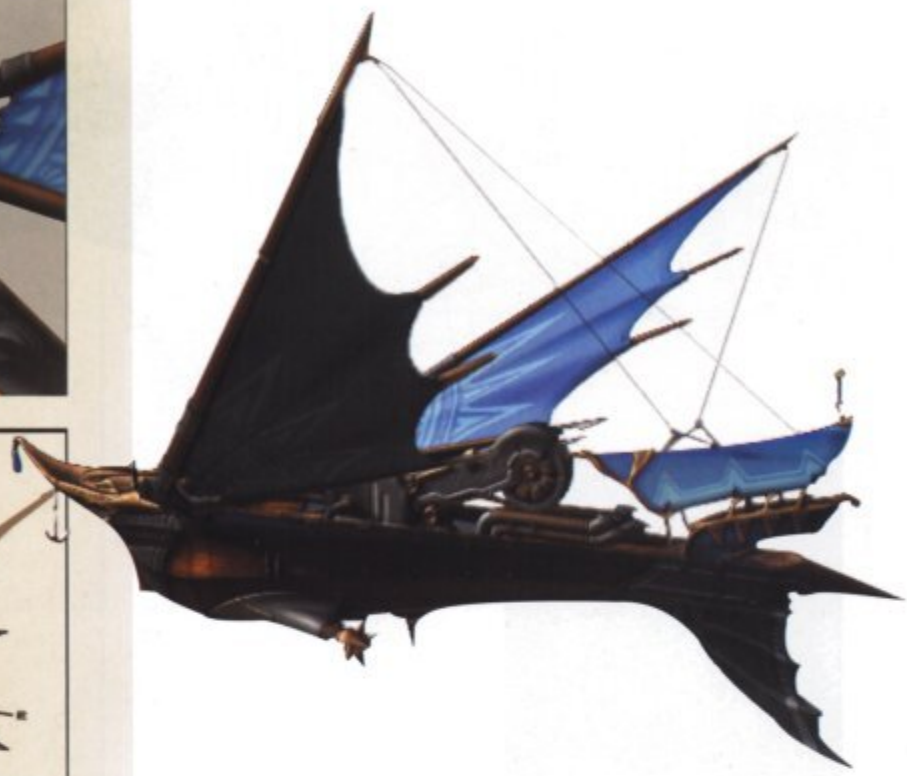






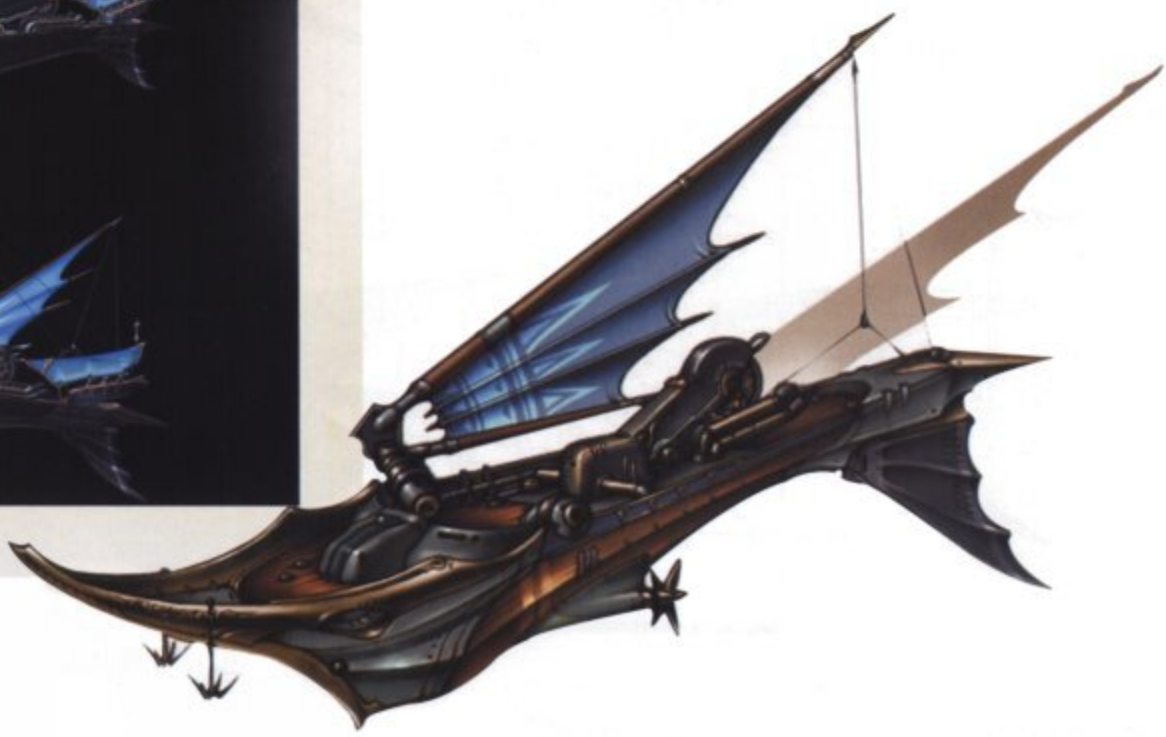


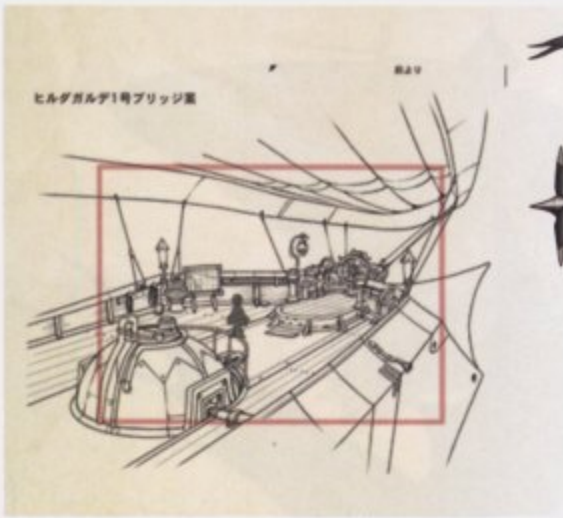




Blue Narciss

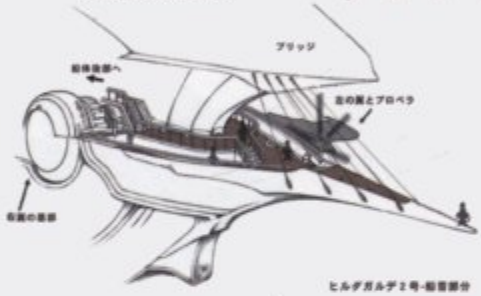
Lindblum's ocean cargo vessel, recently repaired.



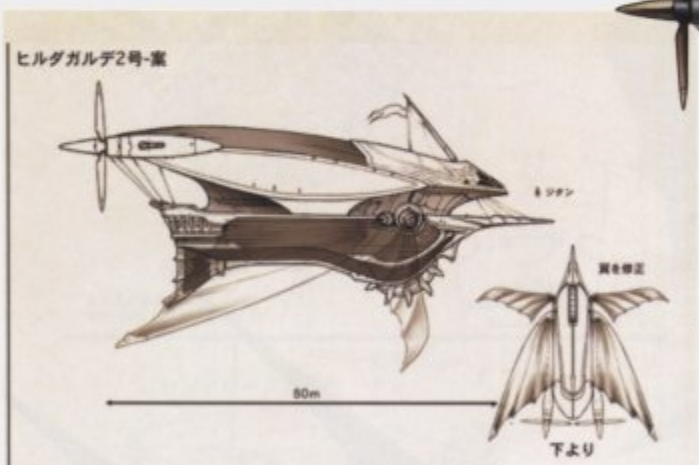


Hildagarde 1

The first air ship to run without mist.

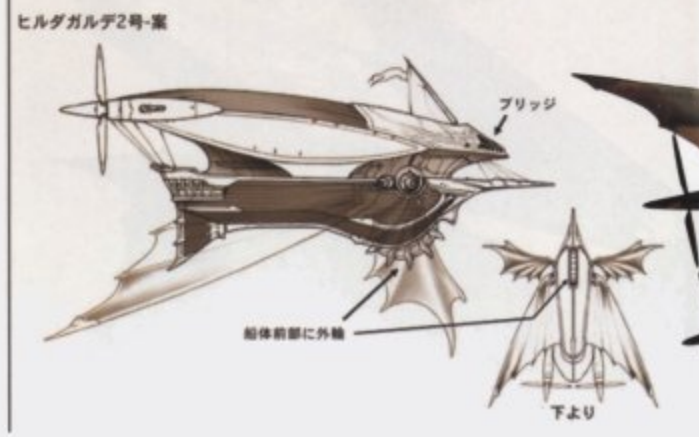


ヒルダガルデ2号-船首部分



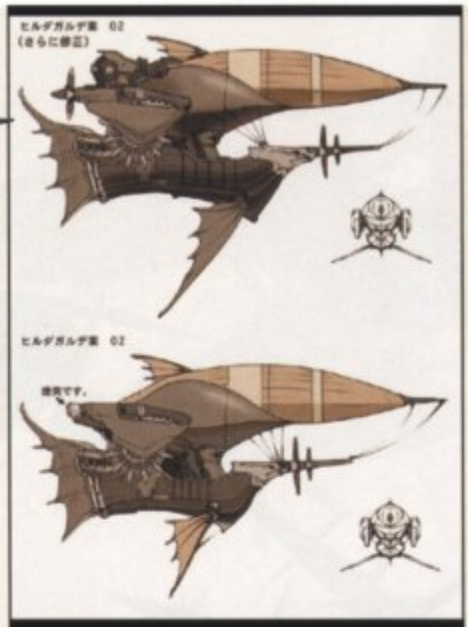
Hildagarde 2

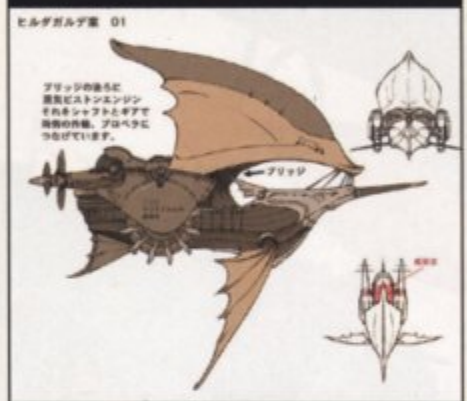
Regent Cid's less successful attempt to build another steam engine air ship.

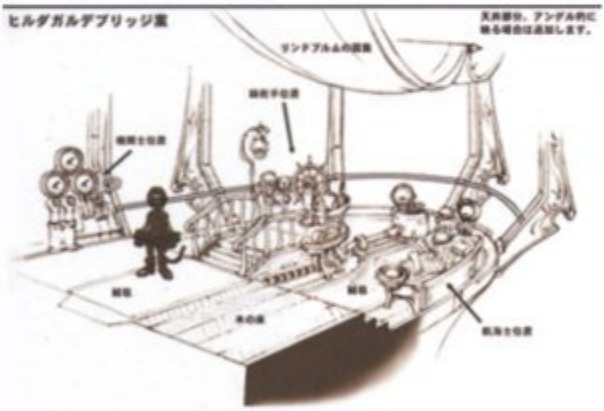


Hildagarde 3

The latest masterpiece from Lindblum's engineers, it runs purely on steam engine power.





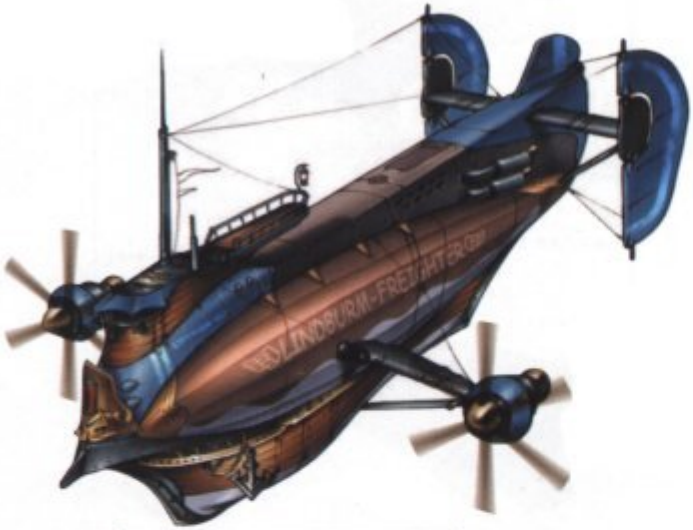


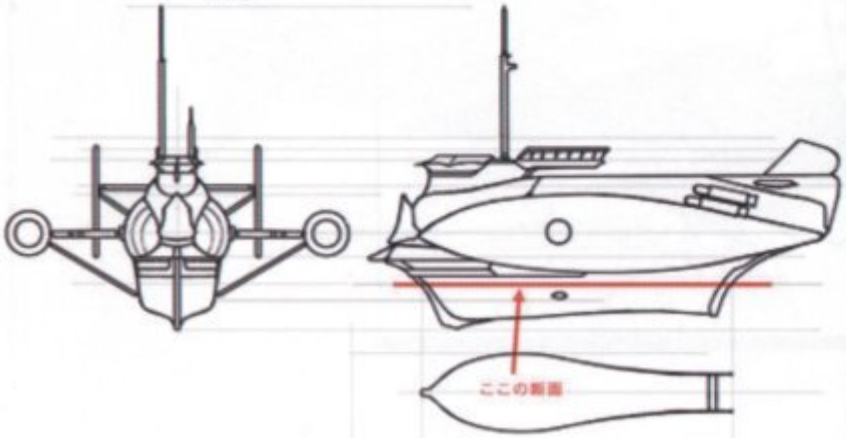
Lindblum Battle Ship

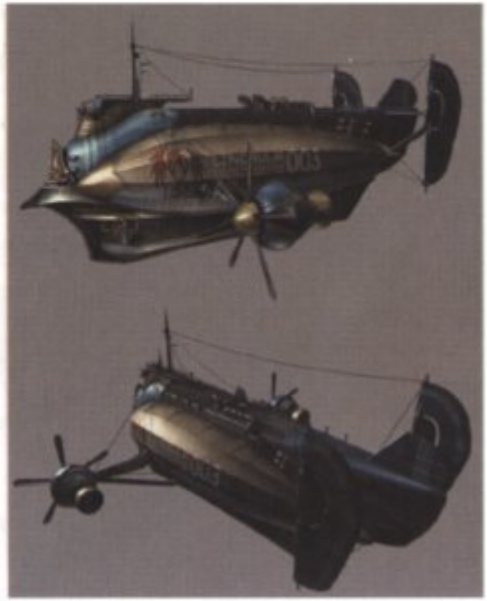
Protects the castle city, utilizing the power of mist.

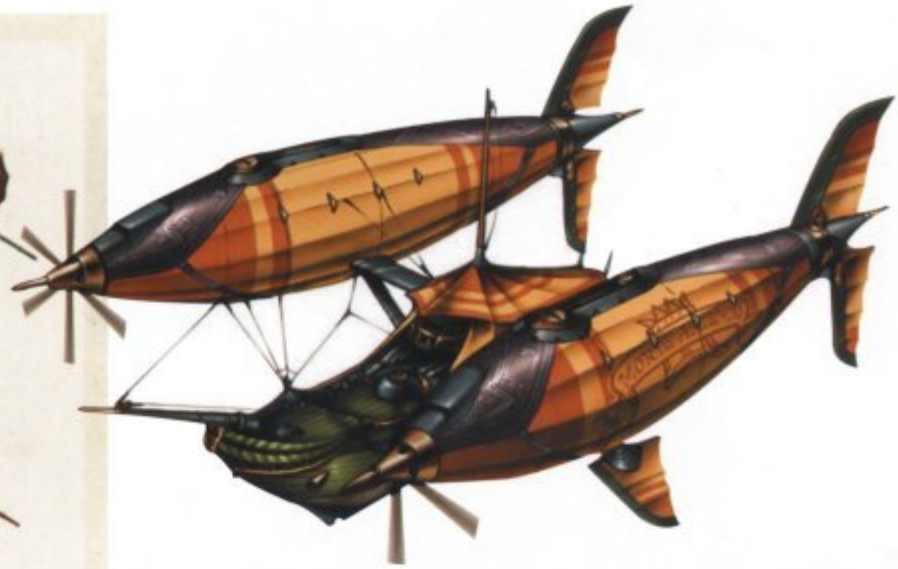
Lindblum Freighter

This air ship enables citizens to trade goods with faraway allies like Alexandria.



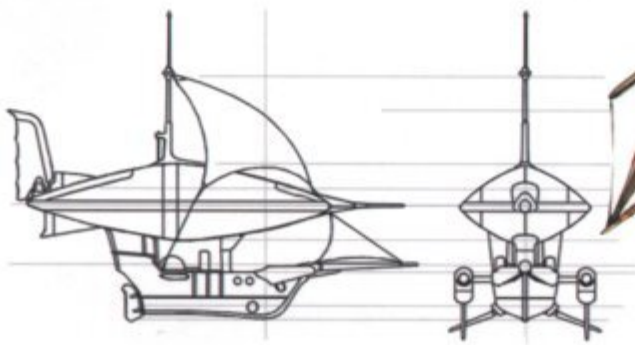






Air Ship

A common air ship seen frequently in the skies near Lindblum.

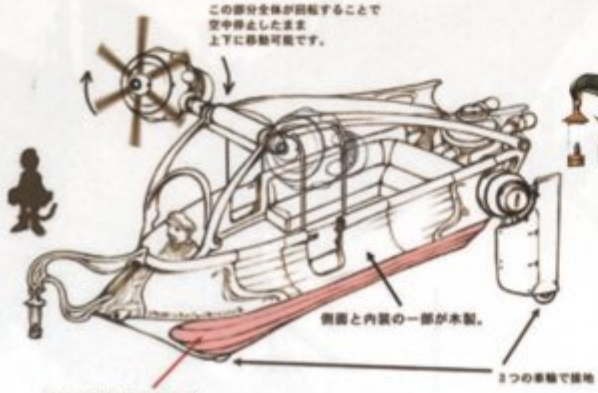


リンドブルム・エアキャブ案

Lindblum Air Cab

This vessel transports citizens from one sector of the castle city to another.

エアキャブ案



船体上部に気嚢を付けると
船そのもののサイズが大型化して
駅に入らなくなるので
気嚢は船体の下半分。

*エアキャブ内部が露出していると
マズい場合はテント地のような
布で窓部分を覆います。

Brahne Fleet

Conquering the world in the name of Her Majesty.

Cargo

A vessel that transports mysterious freight from Dali to Alexandria.

DENDROBIUM

TRICK SPARROW

FENRIR

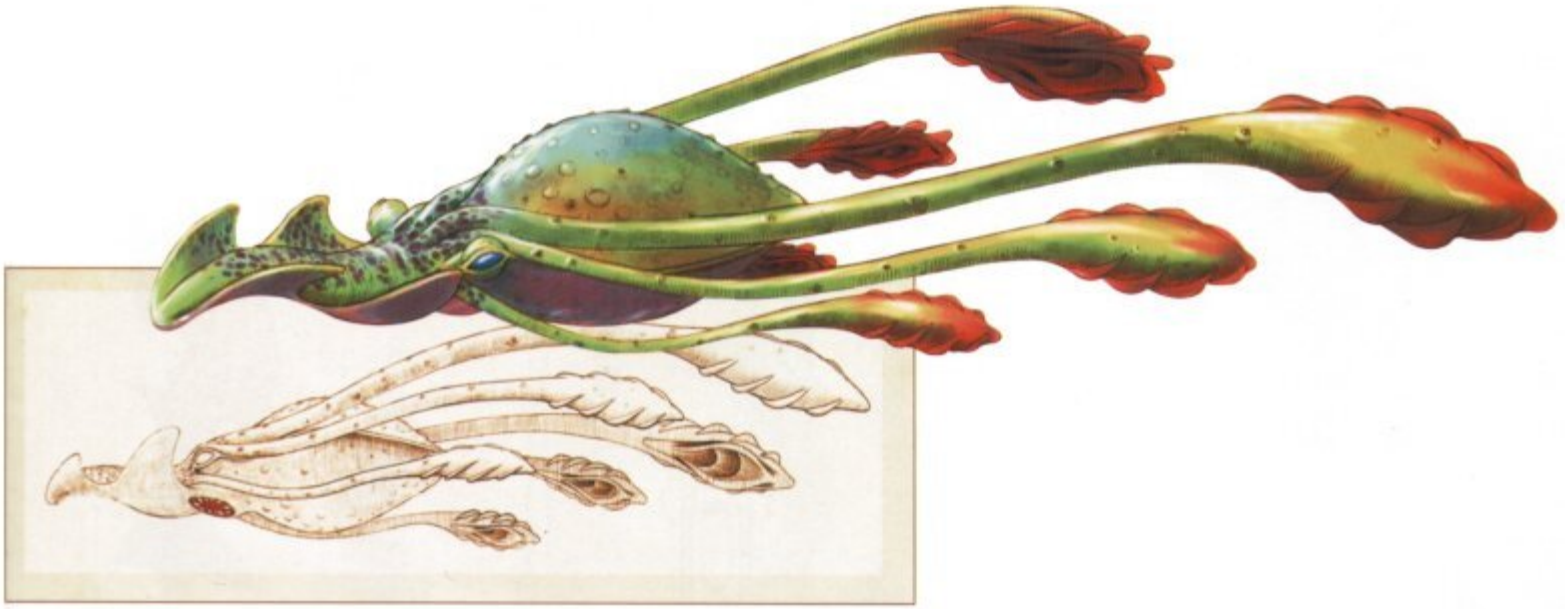
RED DRAGON

These powerful yet stunning dragons inhabit the darkest of caves.

ANTLION

These vicious arachnids call sandy pits their homes.

YETI



GIGAN OCTOPUS

This air & sea dweller lurks off the coastline, in search of prey.

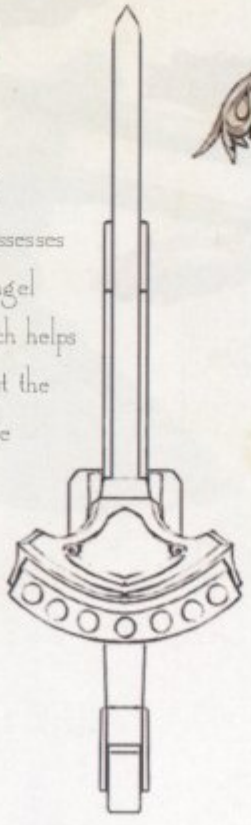
SWORDS

DIAMOND SWORD

A sword made of diamond, this weapon is truly a model of power and beauty.

DEFENDER

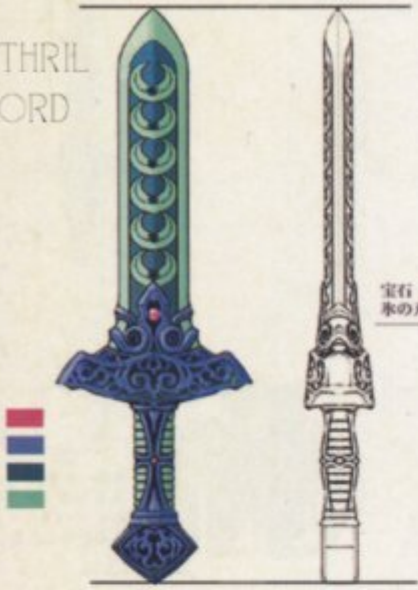
This sword possesses a guardian angel within it, which helps protect against the elements of Ice and Thunder.



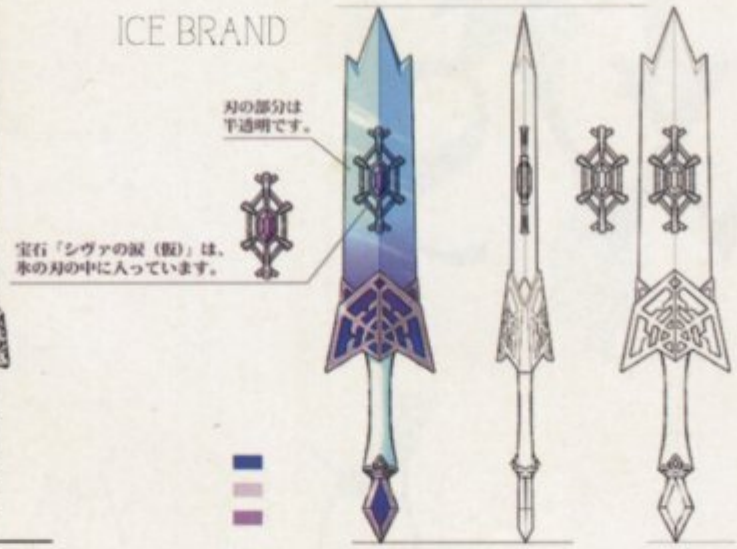
FLAME SABER

A fire spirit is forged within this weapon, singeing its victims with its burning power.

MYTHRIL SWORD



ICE BRAND



IRON SWORD

SHORT SWORDS

ULTIMA SWORD

Only chosen knights can wield this powerful weapon. With it in hand, a knight will discover immense power within.

MAGE MASHER

Originally used to combat mages, the Mage Masher can silence its enemies.

ORICHALCON

No other thieves' dagger can compare to the power of the Orichalcon.

たくじ.

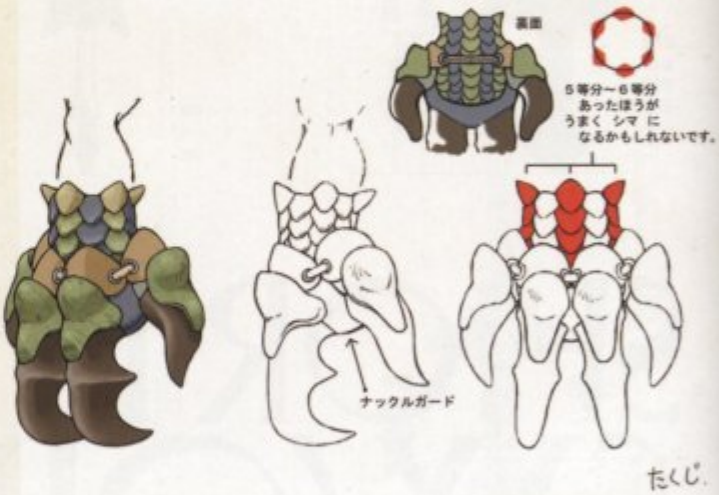
CAT'S CLAWS

MYTHRIL CLAWS

CLAWS

AVENGER

These razor-sharp claws are powerful enough to eliminate a single enemy with one fell swoop.



SCISSOR FANGS

These deadly weapons pack an added punch. Not only are they extremely sharp, but the tips contain a lethal venom.

DRAGON'S CLAWS

These claws are very rare... even in the fantastic world of Gaia.

SPEARS

Serving the Royal House of Burmecia, Freya relies on ornately crafted battle lances and spears. These are her tools of the trade as a Dragon Knight.

STAVES

常に下から 赤い光 が
